

# 300-Yard Rifle Event

Beaverbrook Members, we are looking to hold a one-time Rifle Shooting Event out to 300 yards. We're planning to hold this event if we have enough interest and the necessary volunteers.

*Friday May 29<sup>th</sup>, 2020*

*Qualify 3:00pm — Shoot for Score 5:00pm*

Here is how we will run this shoot.

- All the shooting will be done from the benchrest position.
- You will need to qualify by hitting the 9" gong at 200 yards.
- Then we will move back and shoot at an MR-63 paper target.

Here are the business details for the shoot.

- We are limiting the number of shooters.
- There is a \$10.00 entry fee, \$5.00 refunded for non-qualifiers.
- You will have five (5) shots to qualify.
- You are limited to five (5) minutes on the bench at 300 yards.  
*(We may have second round at 300 depending on time and number of participants.)*

To make this happen we do need some volunteers, we are hoping that most of these positions can be the shooters themselves.

A Cashier, a Registrar, two (2) NRA RSOs, four (4) Spotters and someone to change targets. If you are planning to shoot maybe you can help-out when your not shooting. The NRA RSOs can **NOT** be a participant. We will have four benches for qualification and two at the 300-yard line.

To Register, volunteer to help, or both and get a question answered email us at [longrange@beaverbrook.us](mailto:longrange@beaverbrook.us)

If, you don't have access to internet --- Call Bronco (612) 325-1422
